► Mobile Drum Lifter with tilting function

Our new generation of mobile lifters offers enhanced ergonomics and a great varity of possible applications. The shown lifter allows raising very high at a relatively low retracted machine height, achieved by the crossway-tipper with drum clamp arm system. The cabinet top is newly designed with inclined operating element and a push handle acros the complete machine for ease maneuvering.

Various arm designs are available for transportation of all kinds of loads.

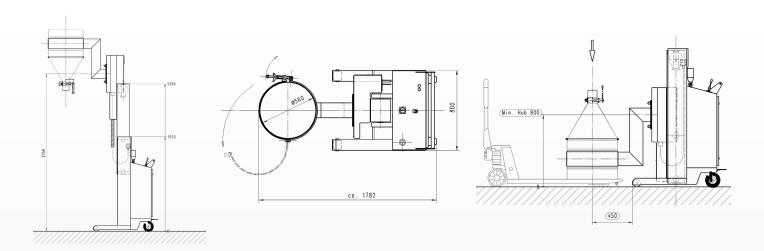

Technical Data

lechnical Data				
Maximum Load Capacity	150 kg	250 kg	500 kg	800 kg
